## Reindeer-on-a-Stick

### What you'll need:

- 2 bags DOVE® Brand PROMISES® Milk Chocolate, unwrapped
- 1 bag DOVE® Brand PROMISES® Dark Chocolate, unwrapped
- 1 bag M&M'S® Brand Milk Chocolate Candies for the Holidays
- 2/3 cup flour
- 1 18-oz. tube refrigerated sugar cookie dough
- Yellow sprinkles
- Snowflake sprinkles
- 1 tube white decorative frosting
- 48 mini pretzel twists
- 3-inch round cookie cutter
- Wax paper
- Red and green curling ribbon
- Craft sticks
- Cookie sheet

### What to do:

1. Preheat oven to 350°.
2. Knead the sugar cookie dough with the flour until smooth. Roll it to 1/4-inch thickness. Press out 24 cookie rounds with the cookie cutter. Transfer the circles to an ungreased cookie sheet.
3. Break the top curves of the pretzel twists to resemble antlers. Then, press 2 pretzels at the top of each cookie circle and one craft stick at the bottom.
4. Bake the cookies for 12-14 minutes, or until golden. Let them cool on a wire rack.
5. Melt the DOVE® Brand PROMISES® Milk Chocolate in the microwave for 1-3 minutes, stirring occasionally until smooth. Spread a spoonful of chocolate over each cookie and pretzel.
6. Sprinkle the yellow sprinkles over the antlers and the snowflake sprinkles in between the antlers as the hair. Place a DOVE® Brand PROMISES® Dark Chocolate into the middle of each cookie, and then place it on a wax paper-lined cookie sheet.
7. Chill in the refrigerator until the chocolate is hardened, about 15 minutes.
8. Attach the M&M'S® Brand Milk Chocolate Candies for the Holidays to the DOVE® Brand PROMISES® Dark Chocolate for the eyes and nose with decorative icing. Tie a ribbon into a bow at the bottom of the reindeer's head.

**Makes 24 pops.**
