## Table Top Stuffers

### What you'll need:

- 2 bags your favorite Masterfoods USA Candies for the Holidays
- 1 box STARBURST® Brand Strawberry Candy Canes
- 8 12 x 12-inch pieces brightly colored poster board, felt squares or craft foam
- Scissors
- Single hole puncher
- 8 yards brightly colored yarn
- 4 bobby pins
- Non-toxic glue or double-sided tape
- [Click here](#) for printable pattern

### What to do:

1. Using the printable pattern, cut 8 stocking shapes from the poster board, felt or craft foam.
2. For each gift, put two of the stocking shapes together. Punch holes along the edges (every 1/2 inch) for the yarn. (Don't punch holes across the tops of the stockings: they need to remain open.) Cut the yarn into four 2-yard pieces. Attach a bobby pin to the end strands. Lace the yarn through the holes, beginning at the top of one side and working your way to the opposite side. Knot the yarn.
3. Decorate the outside of each stocking by gluing on names or holiday designs. Stuff each stocking with your favorite Masterfoods USA Candies for the Holidays and several STARBURST® Brand Strawberry Candy Canes.

**Makes 4 stockings.**
